Scholarship Application

OVIFT welcomes scholarship applications from undergraduate and graduate student members for our 2023 competition. Eligibility and application guidelines are listed below.

Amount

OVIFT will award a total of two \$2,000 scholarships and two \$1,000 scholarships. Undergraduate and graduate students are encouraged to apply.

Eligibility

This scholarship opportunity is open to all students who:

- Are currently enrolled undergraduate or graduate students
- Will be actively enrolled as an undergraduate or graduate student in the 2023 – 2024 academic year
- Are members of OVIFT

Application Details

Please provide in a single document (PDF preferred) the following:

1. An academic transcript (unofficial transcripts/advising reports are acceptable)
2. A resume or CV
3. Personal Statement (300 words maximum) that details: career aspirations, why you decided to study the science of food, and how a scholarship would contribute to your education.
4. A newsletter submission (500 words maximum) that discusses ONE of the following (figures allowed):
 - a. A current issue or controversial topic (scientific or not) in the science of food, as explained to fellow food industry professionals.
 - b. Your research or research topic of your choice and its relevance to the food industry, as explained to fellow food industry professionals

Applications are due by April 19th, 11:59 PM

Send completed packets to ohiovalleysection.ift@gmail.com

We anticipate announcing winners in May
